WARNING CONCERNING COPYRIGHT RESTRICTIONS: the copyright law of the United State (Title17, United States Code) governs the making of photocopies or other reproductions of copyrighted material. Under certain conditions specified in the law, libraries and archives are authorized to furnish a photocopy or other reproductions. One of these specified conditions is that the photocopy or reproduction is not to be "used for any purpose other than private study, scholarship, or research." If a user makes a request for, or later uses, a photocopy or reproduction for purposes in excess of "fair use," that user may be liable for copyright infringement. This institution reserves the right to refuse to accept a copying order if, in its judgement, fulfillment of the order would involve violation of copyright laws.

I request copies of the materials listed above and agree to handle them in accordance with the conditions specified above. I also accept full responsibility for any infringement of copyright or other legal questions that may arise from making these copies or any later use of them.
